BIG SHAKE-UP
COMING SOON.

Police Board to Get Rid of
Objectionable Captains
and Sergeants.

PROMOTION WHERE MERITED.

Depleted Banks of Patrolmen,
However, Will Be First
Strengthened.

DEVERY WILL BE SUSPENDED.

He and His Old Ward Man, Glen-
non, Not to Do Duty, and the
Board May Appeal the Case.

It was learned this afternoon that
there is to be a shake-up among the
Captains and Sergeants of the Police
Department at no distant day.

This conclusion was reached by the
new Commissioners as a result of sev-
eral secret conferences recently.

The Commissioners, it is said, have de-
termined to get rid of certain officials
whose incompetency they believe they
can establish. Some time ago the Board
prepared a list of officers of the ranks
of Sergeant and Captain with their re-
cords and these are being carefully scruti-
nized.

The Commissioners, in taking this
action, will exercise all the powers given
them under the law, and it is said that
the officers who will not apply for re-
tirement will practically be forced out.

Those worthy of promotion will receive
consideration and be promoted as rapidly
as possible.

This revolution will not be under-
taken, however, until the depleted
ranks of the patrolmen have been re-
cruited and the force placed in a better
condition than now.

The work will be proceeded with se-
cretly until the Commissioners have de-
termined upon what changes shall be
made.

TO SUSPEND DEVERY.

Reinstated Captain and Ex-Ward
Man Glennon Not to Do Duty.

It will require a number of days for
the Police Commissioners to ascertain
"where they are at" in the matter of
Capt. William S. Devery and Edward
Glennon, Devery's former ward man,
who yesterday were reinstated in the
department, by a decision of the
General Term of the Court of Common
Pleas.

The Board to-day will go over the evi-
dence carefully, and the lawyer mem-
bers of the Commission, Messrs. Barker
and Andrews, will digest it thoroughly.

The question whether or not an appeal
will be entered against the decision yes-
terday, is one of the Commissioners'
hardest nuts to crack.

Devery and Glennon were dismissed
from the force August 31 last, and with
them at the same time went Capt. Adam
Cross and his Ward Men, Smith and
Burns.

Capt. Cross and Smith have since
been reinstated, but ex-Ward Man
Burns is now a fugitive. Capt. Cross
and Smith were restored by the
General Term of the Supreme Court,
March 15 last, and the Police Commis-
sioners immediately assigned them to duty.

Wherein the cases of Devery and
Glennon differ from those of Capt.
Cross and Patrolman Smith is that the
two former are now under indictment
by the March Extraordinary Grand
Jury. At the same time with them were
indicted Inspector McLaughlin, ex-
Capt. Edward Carpenter, Captains
Donohue, Murphy, Price, Shurtz, ex-
Capt. Stephenson and Patrolman Schill.

Devery's indictment consists of five
counts, charging bribery and extortion.
The complainant in his case is Francis
W. Seargent, the builder, who is also
McLaughlin's accuser. He charges that
Devery extorted \$100 from him May 30,
1894, while the Captain commanded the
old slip station.

Glennon is similarly accused.
Devery and Glennon were practically
dismissed from the force on the same
testimony upon which Capt. Cross and
Patrolman Smith were reinstated and
railroaded out of the Department.

The witnesses were the self-confessed
disorderly house keepers, Robert San-
ford and Kate Schubert.

Justices Van Brunt, O'Brien and
Parker, of the General Term of the Su-
preme Court unanimously characterized
the testimony of Devery and Glennon as
unreliable. In view of this opinion it is not
believed that the Commission will have
the temerity to appeal the case against
Devery and Glennon.

In accordance with the nature of the
decision in Capt. Cross's case and that of
Smith, the Commissioners may and prob-
ably will reinstate Capt. Devery and
Glennon. They will, however, suspend
them, but they will nevertheless receive
full pay pending the outcome of the
Boards' charges.

Capt. Devery was appointed June 19,
1878, therefore, the statement that he
would ask for retirement is ridiculous.
Commissioner Parker said this afternoon
that no action would be taken in the
matter of Capt. Devery and Glen-
non until the Board had taken in-
formation into consideration. The two
men could be regularly restored to duty
he said, but that act would be followed
at once by suspension.

After the Board have either convicted
or acquitted Devery and Glennon on the
recent indictments Mr. Parker said, they
should be brought to trial on the old
charges or the new one.

EAKINS'S CASE ADJUDGED.

Police Board Postpones His Trial

Capt. Joseph B. Eakins, of the Mercer
street station, who was to be tried to-

It was mandatory upon the Police
Board to adjudge the case, because
Capt. Eakins yesterday secured a writ
of prohibition, making the Commis-
sioners unanswerable to-morrow, and also or-
dering the board to show cause why
they should not grant the Captain's ap-
plication for retirement before trying him
on charges.

Sick Babies' Fund, .25

The first week's work of the Sick
Babies' Fund shows over 500 little
patients tenderly cared for and rescued
from danger by the free doctors.

Following is the report of the Chief
of the Corps on the visits made and
cases found during the past week. They
show that of the 516 patients treated,
306 were found during Friday and
Saturday.

"The effect of the hot weather upon
the children in this city is unmis-
takably shown by the daily reports of the
physicians during the past week. They
show that of the 516 patients treated,
306 were found during Friday and
Saturday.

"In one district the physician found as
many patients on Friday as on the
previous days of service combined.
Further, the character of the dis-
eases reported has changed. During the
early part of the week, the sicknesses
found were mild or chronic in their
nature for the most part, but on Friday
the change was sharply defined to acute
and frequently severe cases.

"These children had the advantage of
having a skilled physician to treat and
care for them from the outset of their
trouble, and there is no doubt in the
mind of any one who has had any ex-
perience in the care of children in this
city that the result would have been
very different had they not been so
early and so thoroughly treated.

TO REPAIR EIGHTH AVENUE.

Board of Estimate Authorizes the
Expenditure of \$18,000.

Among the financial good things that
the Board of Estimate and Apportion-
ment pushed along at its meeting to-
day were two items of more than ordi-
nary interest.

The first concerns bicyclists who have
been tumbling into the gorges of the
Eighth avenue asphalt pavement, which
"The Evening World" has called atten-
tion to.

The pavement on the west side of the
thoroughfare at the intersection of
first-class condition at an outlay of
\$18,000, that amount being ordered ex-
pended by the Board to-day. The re-
pairs will extend from Thirtieth to
Fifty-ninth street.

The second item of importance was
the transfer of the \$200,000 bond in-
surance, covering the preliminary expenses
of that body for the three months end-
ing June 30. The items contained in the
account totaled up \$17,707.19, almost \$13,000
of this amount going to lawyers for
compensation and expenses in procuring
legislation and the balance to the ex-
planation of the character of the services rendered
by the lawyers was given.

The Board also approved the requisition
for the compensation of John J.
Lincoln, who was appointed a Com-
missioner by the Governor to take testi-
mony in the case of the City of New York
put in a bill for \$150 a day, but the Corporation Counsel recom-
mended \$100, and Mr. Lincoln's bill for
\$1,500 at that rate was approved. James
M. Rousseau, the stenographer who took
the testimony was allowed \$50.

The sum of \$20,000 was transferred
from the Excise Fund to the support
of a number of asylums and other
charitable institutions, and the City ex-
chequer to the tune of \$23,000 for ac-
quiring the land for the new school
at the Macomb's Dam Bridge.

The application of the Park Depart-
ment for the lease of \$200,000 bonds to
improve Riverside Park by planting
trees and constructing stone walls, was
referred to the Finance Committee, con-
cerning trees might be inquired into.
Corporation Counsel Scott thought that
the planting of trees should be made
general throughout the city if it was
done at all. The Board ordered that
\$200 be transferred from the fund to
improve Riverside Park to improve
Manhattan Square.

The 11th annual Convention of the

The 30,000 Masons of the Empire State
